## 2024 DANUBE WATER FORUM

# CALL FOR POSTER SUBMISSIONS

The 2024 Danube Water Forum “Riding the wave: Water Sector Innovations for a new Climate Reality” will convene on 29 to 30 May, 2024 in Brasov, Romania, back to back with the UBP Danube Hub workshop.

The Danube Water Program encourages the submission of an outline paper to present a poster presentation in a dedicated poster session on 29 May.

### **Thematic scope for Outline Papers**

The Conference programme will cover the following themes: Utility management and operation; Integrated water management and planning; and Governance and policy. Contributions are sought in line with the outlined themes (and related to the sessions outlined in the Agenda) on best practice, applied research, policy developments and solutions relating to challenges faced by water professionals in the Danube region and can incorporate in particular the following topics: Circular economy, Climate smart approaches to water and sanitation,

Digital transformation, Innovation in technology and policy, Nature-based solutions in water services, Inclusiveness and equality.

### **How to submit an Outline Paper**

To submit a proposal, please use the template available on the event's page. Your initial submission must be in the form of an outline paper: 1-2 A4 pages of text (max. 1,000 words) plus up to two additional pages of tables/figures. The outline paper must persuasively summarise your proposed presentation and shall be submitted to [office@danube-water-program.org](mailto:office@danube-water-program.org) before 15 March 2024.

### **How are submissions selected?**

Your submitted proposal will be peer reviewed by the Danube Water Program team. Presenters will be notified of acceptance / rejection by 31 March 2024. Selected presenters will be required to register as a paying delegate, who are eligible for a discounted registration fee. Presenters are responsible for their own travel and accommodation expenses.

Further information on the 2024 Danube Water Forum including the draft Agenda are available on the [event's page](#).
