

## **Summer academy of the Bavarian Environmental Administration 2022**

After two years break due to COVID, we like to run the 13<sup>th</sup> summer academy of the Bavarian Environmental Administration from 18<sup>th</sup> until 29<sup>th</sup> of July in Hof/ Bavaria. For participation we are looking for young engineers from the Balkan countries, who are working in the environmental sector, e.g. at

- Environmental administration/ institution´s,
- Industries with use of water,
- Public utilities,
- Consultant´s,
- NGO´s,
- University...

Working language is English!

This is an offer to promote young talent. That´s why participants shouldn´t be elder than 30. Furthermore, because of the partially challenging cycling tours, which are part of the excursion program, sportive condition and good exercise in cycling are required.

Conditions:

- All expenses in Bavaria will be covered by us
- Participants have to organize and to cover
  - the travel expenses, to Bavaria and back (not necessary direct to Hof),
  - cost of their health insurance,
  - Visa fee, if necessary and will not be given for free.

From the program draft (please find below) you can get a rough insight about the contents of our agenda. If you are interested in participation, please send the filled application questionnaire latest until 25<sup>th</sup> of Mai to [ttw@lfu.bayern.de](mailto:ttw@lfu.bayern.de).
