## 2026 DANUBE WATER FORUM

# MAKE SURE YOUR BRAND WILL BE VISIBLE!

**20 - 22 May 2026, Sofia, Bulgaria**

The **2026 Danube Water Forum** will be convened on **20 - 22 May 2026** in Sofia, Bulgaria back-to-back with a number of Business meetings.

The event is co-hosted by IAWD and its members, the Bulgarian Water Association and Sofia Water, with the support of the Danube Water Program funded by the Austrian Government.

### **Join us at the upcoming Forum themed Building a Water-Resilient Danube Region!**

This premier event will bring together over **150 senior leaders and experts** from the water sector across the Danube region.

With an agenda designed to address both longstanding challenges and emerging trends, participants will engage in best practice showcases, dynamic discussions, and interactive sessions.

The Forum will deliver actionable insights and strategic approaches to help the region's water sector provide high-quality, resilient services in an increasingly complex and uncertain environment.

### **Showcase Your Brand and Solutions**

Alongside the Forum, we are pleased to offer exclusive exhibition opportunities for companies to present their latest innovations—whether in pipes, pumps, meters, software, engineering, or management services.

This is your chance to:

- ▶ **Connect** with leading utilities and decision-makers in the Danube region
- ▶ **Highlight** your products and services in a vibrant, growing market
- ▶ **Strengthen** your brand visibility among key stakeholders

**Don't miss this first-class opportunity to position your company at the forefront of water resilience in the Danube region.**
